

CLAN GATHERING 2008

Ministry Team Application Form

Being on the Ministry Team is a valuable role serving the whole conference and will develop your ministry gifts and skills. We do require people who are willing to be flexible in their choice of seminars so that we can offer ministry in some of those venues too.

Everyone wishing to be on the Ministry Team at CLAN Gathering will need their **church leader's approval and blessing**, and be willing to follow the Adult Ministry guidelines.

The number of people required for Ministry Team will be balanced in relation to the number of delegates, and consequently, even though you may comply with our requirements and have our blessing, we may not need to call on you.

Newcomers – because we want to encourage people to develop their gifts in prayer ministry, if you have never been on a CLAN Gathering ministry team, we welcome your application with your Church Leader's approval. **We ask you to attend a Clan 5 step ministry model training day, dates and locations to be announced (this training must be done on the Sunday morning of Clan itself if you are not able to do the training before).** You will also receive initial guidance on the Saturday of Clan and may then be authorised to minister or be paired with more experienced people for the week, at first to observe and then step out in prayer under their supervision.

Preparation for being on this year's team –

We would ask that you read 'Developing a Healing Ministry' by John Coles. Cost £3.50 ISBN:190297712.
